## Best in the world lighting, best for the Indian conditions

Jaquar Lighting products are built keeping in mind the tough, ever-changing Indian weather conditions. These products pass through a wide range of tests to ensure their endurance, reliability and durability.

Jaquar Lighting products follow the philosophy of sustained development. Precisely why, all these products are eco-friendly and energy efficient.

Jaquar Lighting LED products:

- Save upto 90% of the energy required for similar levels of illumination by conventional, non-LED products
- Designed to be glare-free and provide uniform illumination
- Built to be high efficiency products that provide approx. 100 Lm/W- higher than the most competing products

# JAQUAR LIGHTING

## The torchbearer for innovation in lighting

Innovative, energy efficient lighting solutions, for an array of places and purposes. From home to office, decorative to landscaping, from gorgeous chandeliers to unique LEDs, you name it, we have it. All, illuminating with the highest quality, fascinating designs and immaculate perfection.

### What Makes Jaquar Lighting stand apart:

- Complete LED Lighting Solutions
- Futuristic manufacturing facility
- Global certifications
- Unique customization option for Chandeliers
- Best in the world lighting, best for the Indian conditions
- Smart new products
- Trusted for prestigious projects
- Jaquar Lighting Orientation Centres
- Pro-active Customer Care

 ***Global Headquarters***
