Best of Design & Technology

Standard Premium Trustable

Certificate

We are always looking forward to place great prominence on the quality of product and reliable services after sales as well. We are doing business in complete compliance of international standards of bathroom fittings and accessories and are certified on iso 9001:2015. This supports us to go in export market with required confidence. Moreover, we have completed some product testing also in order to have clear understanding of product quality.

Green World Philosophy

Kindle believe managing the future requires efficient management of our resources today; good design also means taking responsibility for resource conversation.

Kindle's products are developed and designed in line with our **Green World** philosophy, and reflect our commitment to preserving and recycling natural resources.

We proud to launch **water saving** series that save water upto **40%***.

One step to our green world philosophy.
